Other Services

All the procedure concerning on/off-signer at Port of Tianjin can be surely well done with full services for pick-up, accommodation. Crew repatriation, hospitalization, visit and other relevant business, such as crew relative calling or letters delivery or temporary commitments by the captain. Regarding to crew repatriation, we would like to suggest of the concerned crew being at below two airports, since the nearest airport from Port of Tianjin is Tianjin Binhai Int'l which takes only two hours by car; then is Beijing Capital Int'l Airport which takes four hours.

Supply Business

Ship's supply, such as bunker, fresh water, stores and provisions etc. Handle customs clearance and delivery of parts and ship's stores.

-Bunker supply: It can be ordered through our Portrans Agency or by other franchisers overseas, since CHINA TIANJIN is the only bunker provider of foreign trade in bunker. Tanker barge is used strongly by force.

-Fresh water supply: Fresh water can be transmitted by water barge, also can by water pipe of the terminal only were at NO.3 Stevedore Company.

-Spare parts: We can arrange the delivery for the duty-free spare parts in three days when we received arrival notice settlement will be charged according to the gross on the AWB. The nearest airport from Xingang port is Binhai International Airport of Tianjin. We need following documents for customs clearance in advance: Airway Bill, Commercial Invoice, Packing List.

-Provision & store supply: For your reference, we'll prefer to the excellent the shipchandler of Tianjin.

-Repairing: There are several Ship Repairing Companies in Tianjin with very comparative price.

-Disposal garbage and oil residues: There are legal and professional companies engaged in disposing garbage residues allowed by Harbour Master.

Introduction

Tianjin Portrans International Shipping Agency CO., Ltd, was registered in Tianjin Port Free Trade Zone in 2004 which is a joint venture authorized by the ministry of communication of P.R.C.

With the mighty support of our clients and customers, both at home and abroad, we have earned trust and a good reputation from them and made vigorous development. In the spirit of the rational concept- "pioneering, innovation, cooperation, win-win principle", we have established good relationship in a long term with famous and excellent clients including owners, operators, charterers or ship managers from China, Hong Kong, Taiwan, moreover, Korea, Japan, India, Singapore, the Middle East, South Africa and Europe etc. We are as their agent while their vessels tendering Tianjin, including bulk carrier, bulk carriers, Ro/Ro, tankers, LPG and special type ships. Since last year we have been doing our agent services on Ro/Ro in the first place, and maintain our break bulk carriers among third place of Tianjin port.

By holding the running system of "advantageous start, high standard, and high efficiency", in view of the kind cooperation with the Port Authority, Harbour Master, Customs office, Immigration, Quarantine, we promise and tailor our service to satisfy our customers with seamless solutions to their particular needs in port. We have the good ability to benefit our clients by providing a package services composed of extensive and high quality network, professional and experienced employees and the strict system of quality supervision.

At present, on the basis of doing well in the shipping agency business for Tianjin Port, we also pay attention to develop business relationship with other shipping agencies in major ports of China, and what's more, we have already built agency network system in the whole nation. Now we guarantee to do a successful service for our clients in any port by exploiting general shipping agency services and owners protecting agent.

We really appreciate our client, either old or new, feel free to contact with us, and are also expecting to tailor our service to satisfy any of you. We promise that the high quality would bring both of our customers and ourselves into prosperity.
